

# 14 SEER AIR CONDITIONERS

The Ameristar line of heating and cooling products offer you flexible and affordable options for HVAC equipment replacement.

We know you have a lot to manage - Ameristar can help with your heating and cooling needs! Ameristar products are specifically designed to deliver just the right value for your property and provide dependable heating and cooling for your residents.

- Products designed and tested to deliver quality.
- Easy to install and maintain.
- Ameristar 14 SEER units are available in R-410A models only.
- 1.5 - 5 ton models available.
- Painted, galvanized steel cabinets resist rust and stand up to weather.
- The compact design and small footprint are ideal for apartments, condos, and homes with limited yard space.
- Units operate quietly, with a maximum sound level of 76 decibels.
- 24V low-voltage control provides added safety.
